

1U 19" SNAP-IN BLANKING PLATE PLASTIC - FCM00

Browse on Mobile

 Browse on Web

NEXCONEC® 19" snap-in Blanking Plate (Panel) provide easy tool-less installation and ensure proper airflow to equipment. Used to cover unused rack space in cabinets or open frame racks for a finished appearance. Can also be used for surface mounting small devices. Blanking Plates are flat with mounting slots spaced at 19" (inches).

This rack filler plastic plate is 1U in height. It clips directly into square hole rail cutouts and does not require cage nuts or screws to install. It is used to fill empty rack space to prevent air re-circulation and improve cooling.

FEATURES

- ✓ Covers open rack space to ensure proper airflow
- ✓ Occupies 1U of rack space
- ✓ Tool-less mounting
- ✓ Vertical Mounting Rails with square holes

APPLICATIONS

- ✓ Rack mount and network cabinets
- ✓ Data centers
