

COPPER FACEPLATES EUROMOD - CMFPK1

Browse on Mobile

 [Browse on Web](#)

NEXCONEC[®] Single and Double gang faceplates are industry standard size and are compatible with all euro style modules. The rounded edges and raised surface give these faceplates a nicely styled finish. Each faceplate is supplied with fixing screws and compatible with Nexconec euro style modules, Keystone Fascia, ½ Blank and 1/4 blanks.

Category Cat5e/6 and 6A Compact Modules can be fitted into single or dual gang faceplates and can be combined with quarter blanks and/or voice modules to provide the required configuration.

FEATURES

- ✓ Single port and dual port
- ✓ Compatible with all Nexconec Euro Style Modules
- ✓ Interchangeable with other Euro Modules and blanks
- ✓ Shallow design requires minimal back-box depth

APPLICATIONS

- ✓ Suitable for Gigabit Ethernet applications
- ✓ Individually QA Tested
- ✓ Industry Standard IDCs
