NEXCONEC® Lockable IP65 & UV Resistant distribution box is supplied unloaded as standard and offers the ability to terminate 48 fibers housed in a strong robust ABS enclosure for indoor and outdoor applications.

An internal detachable adaptor tray provides a neat and tidy solution for housing 48 SC simplex connections and splices. Integrated cable tie points are included to secure incoming cables. A locking feature for the door adds extra security when positioned in un-secure areas.

FEATURES

✓ SC Simplex / LC Duplex Adapter type

✓ Lockable Door

✓ IP65 rating & UV Resistant for external use

✓ Removable splice tray for easy installation

✓ Accepts loose tube, distribution and pre-terminated cables

APPLICATIONS

✓ FTTH / FTTx Networks

✓ Data communication Networks

✓ Indoor/Outdoor Application
