

## ODVA WATERPROOF BOX - ODVA-B04xxxx

Browse on Mobile

 Browse on Web

The ODVA Waterproof box is a fast connect closure that is sealed mechanically. It is single ended design and is generally used on the cable distribution section. The closure provides a quick and reliable cable connection function in FTTH scenarios. It supports 6 pcs fast connect drop cables.

### FEATURES

- ✓ Plug and play, Fast Connect drop cable instead of splicing, be installed without opening the closure
- ✓ Fast Plug realizes cable fastening and sealing outside the closure, leads to fast installation
- ✓ Support pole/wall mounting, aerial cable mounting
- ✓ Support overground installation
- ✓ Small size and elegant appearance
- ✓ IP65 protection
